# HIGHLINE HERITAGE

# MUSEUM

## Saving our History

In 1994, a group of community citizens formed the Highline Historical Society to care for a number of museum quality collections, artifacts and archives in the Highline area. Representing the largest part of the state not presently served with a community museum, the Society has taken on the task of founding a regional museum. This facility will be built in Burien on property the Society owns on the SW corner of Ambaum Boulevard and SW 152nd Street. With almost 50,000 photographic negatives and images, many thousands of artifacts, and more than 20,000 school children and 150,000 citizens to serve, we now invite the community to support us and join us in building this new regional museum.

## Upcoming Programs:

### Two Wheels North

**Saturday October 10th - 2:00 PM**

This year's annual meeting will feature a collaboration with 4Culture and the Burien Little Theater to bring a free one-hour performance by Book-It Repertory Theater to Highline. The performance is a true story of two young men who rode their bicycles from Santa Rosa, CA, to the Alaska-Yukon-Pacific Exposition in Seattle in the fall of 1909. Burien Community Center.

### Night of 1000 Pumpkins

Celebrating the Day of the Dead

**Sunday, November 1st - 5:00 - 9:00 PM**

The Society is collaborating with B/IAS to place 1000 pumpkins in the Interim Art Space at 6th SW and SW 150th Street in Burien. Share this Latin American tradition as members of the local Hispanic community build traditional altars known as Ofrendas in commemoration of their loved ones. The Society is collaborating with the Highline Community College Hispanic Center and with Para Los Ninos to produce a second annual Ofrenda program. Sand paintings, dance and musical performances. *Admission free.*

At Northwest Associated Arts, we know that music can make an important difference in people's lives, allowing them to soar to new heights, both socially and educationally.

"A new study reveals that music participation, defined as music lessons taken in or out of school and parents attending concerts with their children, has a positive effect on reading and mathematic achievement in early childhood and adolescence." — *SCIENCE DAILY, FEBRUARY 2009*

For 25 years, we have been bringing the joy of choral music to Burien and the South End. In these tough economic times, we are proud to continue to offer families a positive, affordable and entertaining night out with our *FREE* Youth Ticket Program. Anyone 17 & under gets a free ticket to any NWAA concert at the Highline Performing Arts Center, when accompanied by a paid adult.

In addition, as music programs are slashed from school district budgets, our Youth Choral Education Project offers students from grades 3 through 12 quality musical education and performance opportunities, with weekly rehearsals throughout the school year.

Full and partial scholarships are available to ensure that every singer who wants to join one of our choruses can do so. Call us or visit our website to find out more about joining an NWAA chorus.

Let your kid's imagination and creativity take flight! Enroll them in one of our choruses, or bring your entire family to one of our fun-filled Holiday Concerts in Burien. Discover the life-long benefits of participation in NWAA's choral programs.
